

Notification to Establish a Base Contract for Sale and Purchase of Natural Gas

Bison Pipeline LLC (Bison) is making this posting to notify potential bidders of its intent to purchase gas for operational use for its pipeline system. Any purchase of operational gas will be made in accordance with the terms and conditions of a Base Contract for Sale and Purchase of Natural Gas (NAESB Form). Potential bidders should currently proceed with the execution of a Base Contract for Sale and Purchase of Natural Gas with Bison. Any modifications to the NAESB Form will be made on a non discriminatory basis. Bison will post additional details for these future operational purchases including specific terms and conditions of the bid as well as timing of the bid period as more details become available.

Bison projects it will be purchasing approximately 1,000,000 MMBtu's to fully pack its system. Delivery and title transfer of the line pack gas may occur at the Kurtz delivery point with Northern Border or at Bison's Buffalo receipt point.
